**KRUPPS®**

DISHWASHER MACHINES 

**More than 45 years of experience  
for a technology in constant evolution.**

We offer you professional wash systems,  
designed and created in order to obtain excellent  
results of cleaning, hygiene and brightness.  
High-quality products conceived by following a  
policy of energy saving and of lower consumption  
of water and detergents.

ecologycare

## Natural Print

Krupps has a “sustainable” character.

For more than 45 years Krupps has been designing and manufacturing innovative products with total respect for Nature.

In this way originated EcologyCare, the new logo which guarantees a professional washing and hygiene as well as a low environmental impact by saving more water and energy.
